APPLE HARVEST FESTIVAL 2009 VENDOR INFORMATION

Applications are open to crafts persons, food vendors, and other vendors that are deemed appropriate for our festival. Please note, space is limited this year. Spaces will be assigned at the discretion of Carter Mountain, to best facilitate our crowd flow.

Spaces will be approximately 8' x 8' in the open air. Tables/chairs and tents are not provided. You will be responsible for setting up and furnishing all equipment. Currently, electricity is not available. Personal generators are permitted only if they are low noise.

Exhibit space fees are \$100 per weekend for crafters, and \$150 per weekend for food vendors. Single day rates are \$60 per day for crafters, and \$90 per day for food vendors. Non-profit groups may contact Carter Mountain to inquire about reduced fees. Vendors are encouraged, but not required, to participate both weekends. Set up will be on each Friday between 5-6PM, and Saturday from 8-9AM. Breakdown is after 6PM on Sundays.

Festival goes on rain or shine; in the case of extreme weather conditions, we will make a judgment call!

Crafters may be asked to provide photos of their work.

Food vendors must abide by all Virginia state health department guidelines, provide copies of all appropriate permits, and be prepared to be inspected by health department officials.

Carter Mountain Orchard reserves the right to accept or deny applications.

Applications are due by August 1, 2009. You will be notified by August 15th if you have been accepted as a vendor. If accepted, your fees will be due by September 1, 2009.
